

Hi everyone!

After the success and generous support from you in last year's events, the AC-SET is now stepping into the second generation with new committee members. The old and new AC-SET would like to wish every one of you a happy and prosperous New Year.

As the new AC-SET, we would like to thank the first AC-SET for setting up this committee and we would like to continue the work by already promising you to organise some interesting activities and borrels in the upcoming year.

In this newsletter you can find:

- I. Van Lint Sports Week
- II. New AC-SET members
- III. AC-SET website
- IV. Upcoming SET borrel

Do you have some news or fun fact you want to share with all your fellow students, send it and we'll try to place it in our next newsletter. Enjoy reading and expect another next month!

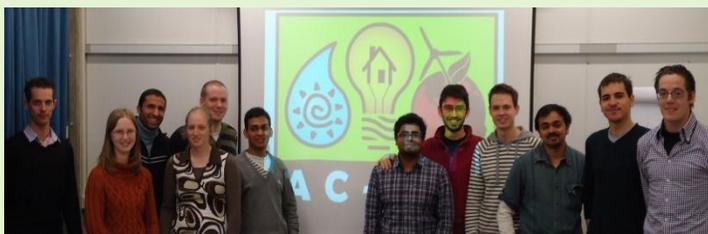

The AC-SET (Activity Committee of SET).

VAN LINT SPORTS WEEK

Thank you all so much for participating in the Van Lint sports week. We, as SET, even made it to 2 finals!!! The table tennis we lost but the badminton, where we had 2 representative teams in the finals, one of our teams beat everyone! Hopefully we can show off even more next year!

NEW AC-SET

Some of you already know this but as of 2011 the AC-SET consists of 6 new members. The old AC-SET is very happy that they will take over the committee and that they will take care of more interesting activities. Below is a picture with the members of the old and new AC-SET.

WEBSITE

We hope everyone found the old exams on our website (<http://acset.isgreat.org/>). Also other information about the AC-SET and upcoming events can be found there.

Furthermore, we kindly ask you to give or send the exams from this period to the AC-SET, so we can extend our database. The AC-SET email is acset@tue.nl.

The AC-SET website will not work within the campus of TU/e, sorry for the inconvenience. We are working on a solution for this problem.

The next SET-borrel will be on Thursday **January 6th** in the **F.O.R.T.** (chemical engineering) starting at **16:00**. We would like to invite all of you to drink and celebrate the New Year with other SETstudents and with us.
